Annexure 2

Best Practices

A. 1. Title of the practice:-

“Upliftment of the students belonging to minority community”

- 2. Goals:** - The goals of the institution are to make quality education accessible to the students of minority community and the students of the deprived section of the community and to transform them in resourceful and responsible citizens. College admits students from minority community, socially and economically backward students who passed in attempts. For such students college conducts remedial coaching classes. College conducts self-employment training classes in collaboration with Family Planning Association of India, Solapur Branch.

3. The context – challenges :-

The students belonging to minority community are not aware of the welfare schemes upliftment programmes launched by the state and central govt. Most of the students are not aware of the importance of higher education. While implementing self – employment training programme, the college as well as the students face the problems of marketing of the articles produced in the training programme. We don't have mechanism to know how many students perceive training given to them.

4. The practice :-

The college organises a remedial coaching classes for those students who pass in attempts. The college has organized a programme in collaboration with Publicity office, Ministry of Information and Broadcasting, Govt. of India, explaining the schemes of Centre and State govt. for the minority community. The college organizes self –employment training programmes for the students. The college organizes special coaching classes for the students who desire to appear for bank recruitment test and competitive examinations.

5. Evidence of success :-

The students who had been passed in attempts obtained B.A., B.Com. and M. A. (Urdu) degrees.

B) 1. Title of the practice :-

Pre-semester Examinations

2. Goals:-

In order to apprise our students about the format and nature of the university Question paper, we conduct pre-semester college examination, for each semester. Solapur University Solapur regularly modifies and makes changes in the syllabus and question paper formats every three years the syllabus changes and along with its nature and format of the question paper. In order to keep our students abreast of these newer and newer changes in the syllabus and question paper formats, we conduct pre-semester college exams for them.

3. The Practice:-

Pre-semester college exams are conducted before university exams; exactly as per the format of the university question paper for the Respective subjects, Evaluation is also made as per the Solapur university Practices. Suitable instructions are provided to the students when required, to help them perform better.

4. The context – challenges :-

The Solapur University regularly modifies and makes changes in the syllabus and question paper formats every three years the syllabus changes and along with its nature and format of the question paper. In order to keep our students abreast of these newer and newer changes in the syllabus and question paper formats, we conduct pre-semester college exams for them.

5. Evidence of success :-

Our practice of conducting pre-semester college examinations has been a Success, It has helped our students to comprehend the nature and format of the question paper in a better light and get an idea about how best to present their thoughts and conjure up their ideas it's a better way. This has resulted in their better performance in the university examinations. Overall result of our college has improved vastly, due to this practice.

C) 1. Title of the practice :-

‘Creating research aptitude in the commerce students.’

2. Goals:-

a) To create research aptitude in the students.

b) To provide them a platform for the presentation of research paper.

3. The context – challenges:-

The under graduate students are not much familiar with the concept of research. They also don't get research opportunities during their study years.

4. The practice:-

Every year the department of commerce conducts a research workshop in collaborations with the Solapur University Solapur. Student from third year B.com take a part in this. Students from other colleges, affiliated to Solapur University are also invited to participate. In this workshop valuable information regarding how to conduct research is imported, by well-known resource persons. Students present their research papers and the best research papers are awarded with Trophy awarded and certificate. All participants are given certificates.

5. Evidence of success:-

Students are exposed to the concept of research are encouraged to present research papers. Since last three year our college students have been awarded prizes for their research papers.
